Freebking Lamborghini Screensaver Full Version

Freelance photographer, Danny Jen, has taken a passion for his own photography to the next level. As a result of this passion, he has created a collection of high-resolution images of some of the world's finest supercars. And to make it a truly breathtaking set of images, he has made use of the Panasonic Lumix DMC-LX3. * Available for Digital Copies Only * Preview: Download: www.freeware.org.uk/supercars.html ★ 1. You can change the wallpaper from 1 to 20. ★ 2. You can give the screen name as you want. ★ 3. You can change the pause time from 0 to 120 seconds. ★ 4.
