Tipus de recerca: Keyword The whole thing about Doctor Who is that you never really know what to expect. Certainly the viewer is rarely surprised - of course a time travel story is going to be partly about unexpected things. However, with the series also containing elements of horror, adventure, science fiction, comedy, action and drama, it is always possible to be pleasantly surprised. The next BBC Christmas special Doctor Who will be in the form of an audio play, a format more likely to be appealing to younger viewers than for many previous Christmas specials.
