When the vehicle is parked, Safe Exit Assist (SEA) can alert the driver when a vehicle is approaching from behind. When Child Locks are active, SEA prevents initial disabling of the child safety locks if a vehicle approaching from behind is detected. SEA is not a substitute for driver or passenger attentiveness. Always be aware of your surroundings and attentive of approaching vehicles. See Owner's Manual for further details and limitations. When the vehicle

is parked, Blind-Spot View Monitor (BVM) assists driver in changing lanes by providing a live view of the blind spots on either side of the vehicle and an audible alert if another vehicle is detected. Turn signal must be activated and other system limitations apply. Do not rely exclusively on BVM. It is the driver's responsibility to be aware of the surroundings and ensure it is clear before changing lanes or directions. See Owner's Manual for further details and limitations. Although it is tempting to consider keeping both a GPS and a navigation system, in many cases it is just as

easy to go the road less traveled. That is, take the way that's not as crowded and that often leads to more scenic and less traveled roads. A Lincoln Navigator represents the epitome of American luxury. The Navigator offers a smooth and comfortable ride with features like 10-way power adjustable seats and leather seats, heated front and rear seats, and rear-seat DVD and MP3 playback. Also, the Navigator provides a range of safety and technology features. The Navigator also includes such convenience features as easy access to Apple CarPlay, Garmin

Navigation, and Android Auto. 5ec8ef588b
